Dear M.

I'm happy and confident to recommend the services of Alex Hoogteijling as a specialist on Business Continuity Management.

Recently Alex has helped us, the managing board of Dienst Uitvoering Onderwijs, achieve a next step in our BCM program. He helped us redo the Business Continuity Plan and supported implementation of the plan in the operation. Part of this was a live crisis-simulation.

I have found Alex to be an excellent communicator and a true senior on the subject matter. Guiding on us when necessary and providing flexibility when possible. All with a keen sense for the organization specific dynamics.

I have no reservations recommending Alex for his work. Feel free to contact me if you have any additional questions.

Kind Regards,

Anne Cnossen
